INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Pursuant to 37 C.F.R. §§ 1.97 (b)(4), Applicants bring to the attention of the Examiner the documents listed on the attached PTO 1449. This Information Disclosure Statement ("IDS") is being filed after the payment of the issue fee, but concurrently with a Petition to Withdraw Patent from Issue under 37 CFR § 1.313 (c)(2) and the filing of a Request for Continued Examination ("RCE") under 37 C.F.R. § 1.114.

The references submitted are listed on the attached Form PTO-1449. Review is respectfully requested, and the Examiner is asked to place his/her initials next to each reference listed on the form to indicate that the reference was considered. Pursuant to 37 CFR 1.98 (a)(2), copies of U.S. patents and U.S. patent application publications are not provided.

Further, copies of unpublished patent applications 11/844,891, 11/690,698, 11/779,406, and 11/764,642, French patent document FR2729291, and a copy of office actions mailed in 10/698,046 on September 18, 2006, June 11, 2007, and October 3, 2007, will be mailed to the Examiner in a follow-up IDS, because inclusion of this material in this facsimile transmission would make the transmission of this IDS impracticable. See M.P.E.P. § 609 (b)IV.

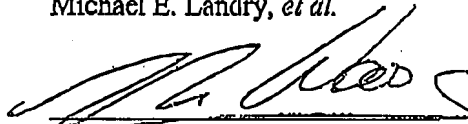

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

The Commissioner is hereby authorized to charge the required surcharge of \$790.00 for the RCE processing fee under 37 C.F.R. § 1.17(e) and \$130.00 for the Petition processing fee under 37 C.F.R. § 1.17(h) to Deposit Account No. 01-0025. The Commissioner is authorized to charge our Deposit Account any additional fees (or credit any over payments) that may be required under 37 C.F.R. §§ 1.16 and 1.17 in association with this communication for which full payment has not been tendered. A duplicate of this sheet is enclosed.
